INDEPENDENT AUDITORS' REPORT

To the County Commission
Reno County, Kansas
Hutchinson, Kansas

Report on the Audit of the Financial Statement

Adverse and Unmodified Opinions

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of **Reno County, Kansas**, as of and for the year ended December 31, 2025 and the related notes to the financial statement.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matters discussed in the Basis for Adverse and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the County as of December 31, 2025, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the County as of December 31, 2025, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

Basis for Adverse and Unmodified Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS), the *Kansas Municipal Audit and Accounting Guide* and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the County, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles

As discussed in Note 1 of the financial statement, the financial statement is prepared by the County on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures and unencumbered cash balances (basic financial statement) as a whole. The schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the basic financial

statements. The summary of regulatory basis expenditures – actual and budget, individual fund schedules of regulatory basis receipts and expenditures – actual and budget, and summary of regulatory basis receipts and disbursements – agency funds (Schedules 1, 2 and 3 as listed in the table of contents) are presented for purposes of additional analysis and are not a required part of the basic financial statement; however, are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated, in all material respects, in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

We also previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statement of the County as of and for the year ended December 31, 2024 (not presented herein), and have issued our report thereon dated July 16, 2025, which contained an unmodified opinion on the basic financial statement. The 2024 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link <https://admin.ks.gov/offices/accounts-reports/local-government/municipal-services/municipal-audits>. The 2024 actual column (2024 comparative information) presented in the individual fund schedules of regulatory basis receipts and expenditures – actual and budget for the year ended December 31, 2025 (Schedule 2 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the basic financial statement. Such 2024 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2024 basic financial statement. The 2024 comparative information was subjected to the auditing procedures applied in the audit of the 2024 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2024 basic financial statement or to the 2024 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2024 comparative information is fairly stated in all material respects in relation to the basic financial statement as a whole for the year ended December 31, 2024, on the basis of accounting described in Note 1.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 9, 2026, on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reno County, Kansas has established a uniform system of accounting maintained to reflect compliance with the applicable laws of the State of Kansas. The accompanying financial statement is presented to conform to the cash basis and budget laws of the State of Kansas, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The following is a summary of such significant policies.

Financial Reporting Entity

The County is a municipal corporation governed by an elected five-member commission. This financial statement presents the County (the municipality) and its related municipal entity, Reno County, Kansas Public Building Commission, shown below. The related municipal entity is included in the County's reporting entity because it was established to benefit the County and/or its constituents. This financial statement does not include the related municipal entity, Reno County Extension Council, shown below.

Reno County Extension Council

Reno County Extension Council provides services in such areas as agriculture, home economics, and 4-H clubs, to all persons in the County. The Council is an elected executive board. The County annually provides significant operating subsidies to the Council. Unaudited financial statements can be obtained by contacting the Extension Council.

Reno County, Kansas Public Building Commission

Reno County, Kansas Public Building Commission (PBC) was created by County resolution to finance the acquisition, construction and improvement of certain public buildings to be used for County related offices. The PBC has a three-member board appointed by the Reno County Commission. The financial information for the PBC is included in the audited financial statement of the County.

Included in Schedule 3-2, Agency Funds, are the accounts of the Clerk of the District Court and the Law Library.

Basis of Presentation – Fund Accounting

The accounts of the County are organized and operated on the basis of funds. In governmental accounting, a fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements.

The following types of funds comprise the financial activities of the County for the year ended December 31, 2025.

Regulatory Basis Fund Types

General Fund – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose Fund – used to account for the proceeds of specific tax levies and other specific revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest Fund – used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

RENO COUNTY, KANSAS
Notes to Financial Statement
December 31, 2025

Capital Project Fund – used to account for the debt proceeds and other financial resources to be used for the acquisition or construction of major capital facilities or equipment.

Business Fund – fund financed in whole or in part by fees charged to users of the goods or services (enterprise and internal service funds).

Trust Fund – fund used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipal reporting entity, scholarship funds, etc.).

Agency Fund – fund used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

Basis of Accounting

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The County has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the County to use the regulatory basis of accounting.

Reimbursements

The County records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as a receipt to the fund that receives the reimbursement. For purposes of budgetary comparisons, the expenditures are properly offset by the reimbursements under KMAAG regulatory basis of accounting.

NOTE 2 – BUDGETARY INFORMATION

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds (unless specifically exempted by statute). Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- a. Preparation of the budget for the succeeding calendar year on or before August 1st.
- b. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
- c. Public hearing on or before August 15th, but at least 10 days after publication of notice of hearing.
- d. Adoption of the final budget on or before August 25th.

RENO COUNTY, KANSAS
Notes to Financial Statement
December 31, 2025

If the County is holding a revenue neutral rate hearing, the budget timeline for adoption of the final budget has been adjusted to no sooner than August 20th and no later than September 20th, but at least ten days after all statutory notification and publication requirements have been met. Municipal budgets requiring a hearing to exceed the revenue neutral rate should be adopted on or before October 1st but may not be adopted prior to the revenue neutral rate hearing. The County did hold a revenue neutral rate hearing this year for the County and certain special districts.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least 10 days after publication, the hearing may be held and the governing body may amend the budget at that time. There were no such budget amendments for this year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which revenues are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the County for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

A legal operating budget is not required for capital project funds, trust funds, and the following special purpose funds and business funds:

Special Highway Improvement Fund	Fire District Jt. No. 1 RN-KM Special Fund
Road and Bridge Special Machinery Fund	Fire District Jt. No. 2 RN-HV Special Fund
K-14 Highway Fund	Sewer District No. 1 Reserve Fund
Register of Deeds Technology Fund	Sewer District Nos. 3 and 10 Reserve Fund
Clerk Technology Fund	Sewer District No. 8 Reserve Fund
Treasurer Technology Fund	Sewer District No. 201 Reserve Fund
County Technology Equipment and Services Fund	Sewer District No. 202 Reserve Fund
County CIP Reserve Fund	Water District No. 8 Reserve Fund
County Equipment Reserve Fund	Water District No. 101 Reserve Fund
County Economic Development Reserve Fund	Emergency Management Citizens Corp. Fund
Fire District No. 3 Special Fund	Field Correction Offices Special Rental Fund
Fire District No. 4 Special Fund	American Rescue Plan Act Fund
Fire District No. 6 Special Fund	LATCF Federal Grant Fund
Fire District No. 7 Special Fund	Public Health Federal Grant Fund
Fire District No. 8 Special Fund	BASE – ARPA Federal Grant Fund
Fire District No. 9 Special Fund	Self-Insurance Fund

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

NOTE 3 – DEPOSITS AND INVESTMENTS

Reno County, Kansas follows the practice of pooling cash and investments of all funds. Each fund's portion of total cash and investments is summarized by fund category in the summary statement of receipts, expenditures and unencumbered cash.

K.S.A. 9-1401 establishes the depositories which may be used by the County. The statute requires banks eligible to hold the County's funds have a main or branch bank in the county in which the County is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The County has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the County's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The County has no investment policy that would further limit its investment choices. The rating of the County's investments is noted below.

As of December 31, 2025, the County had the following investments and maturities.

Investment Type	Cost	Investment Maturities (in years) Less than One	Rating
Kansas Municipal Investment Pool	\$ 18,020,063	18,020,063	N/A

As of December 31, 2025, the Public Building Commission had the following investments and maturities.

Investment Type	Cost	Investment Maturities (in years) Less than One	Rating
Kansas Municipal Investment Pool	\$ 406,348	406,348	N/A

Concentration of Credit Risk

State statutes place no limit on the amount the County and Public Building Commission may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and K.S.A. 9-1405. The allocation of investments as of December 31, 2025, for the County and Public Building Commission is as follows:

Investments	Percentage of Investments
Kansas Municipal Investment Pool	100%

Custodial Credit Risk – Deposits

Custodial credit risk is the risk that in the event of a bank failure, the County's deposits may not be returned to it. State statutes require the County's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. The County, Clerk of the District Court and Law Library, and Public Building Commission do not use "peak periods". All deposits were legally secured at December 31, 2025.

RENO COUNTY, KANSAS
Notes to Financial Statement
December 31, 2025

At December 31, 2025, the County's carrying amount of bank deposits was \$136,482,748 (including \$5,826 cash on hand) and the bank balance was \$136,745,699. The bank balance was held by six banks resulting in a concentration of credit risk. Of the bank balance, \$126,098,752 was covered by federal depository insurance, \$5,000,000 was covered by a letter of credit, and \$5,646,947 was collateralized with securities held by the pledging financial institutions' agents in the County's name.

At December 31, 2025, the Clerk of the District Court's and the Law Library's carrying amount of bank deposits was \$237,818 (including \$540 cash on hand) and the bank balance was \$238,891. The bank balance was held by one bank resulting in a concentration of credit risk. The bank balance was fully covered by federal depository insurance.

At December 31, 2025, the Public Building Commission's carrying amount of deposits was \$13,810 and the bank balance was \$13,810. The bank balance was held by one bank resulting in a concentration of credit risk. The bank balance was fully covered by federal depository insurance.

Custodial Credit Risk – Investments

For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the County will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

At December 31, 2025, the County had invested \$18,020,063 and the Public Building Commission had invested \$406,348 in the State's municipal investment pool. The municipal investment pool is under the oversight of the Pooled Money Investment Board. The board is comprised of the State Treasurer and four additional members appointed by the State Governor. The board reports annually to the Kansas legislature. State pooled monies may be invested in direct obligations of, or obligations that are insured as to principal and interest, by the U.S. government or any agency thereof, with maturities up to four years. No more than 10 percent of those funds may be invested in mortgage-backed securities. In addition, the State pool may invest in repurchase agreements with Kansas banks or with primary government securities dealers.

NOTE 4 – INTERFUND TRANSFERS

Interfund transfers within the reporting entity are substantially for the purpose of subsidizing operating functions, funding capital projects and asset acquisitions or maintaining debt service on a routine basis as authorized by Kansas statutes. **Reno County, Kansas'** interfund transfers and regulatory authority for the year ended December 31, 2025 were as follows:

NOTE 5 – CAPITAL PROJECTS

The County adopted Resolutions 2023-15 and 2023-16 on July 12, 2023, authorizing certain sewer treatment improvements to serve Sewer District Nos. 201 (Yoder) and 202 (H.A.B.I.T.) at an estimated cost, including finance and interest costs of \$6,133,100. In those resolutions, \$355,000 of General Obligation Temporary Notes of the County were authorized (and issued on July 27, 2023, as Series 2023) to pay a portion of the costs of the improvements. To finance additional improvement costs, including engineering design, easements and other costs, additional General Obligation Temporary Notes of \$450,000 were authorized and issued May 9, 2024, pursuant to Resolution 2024-10 on April 10, 2024, and Resolution 2024-12 on April 24, 2024. Expenditures from the improvement fund through December 31, 2025, were \$1,050,955 from cash and accounts payable.

During 2024, an application to fund the wastewater system improvements for Sewer District Nos. 201 (Yoder) and 202 (H.A.B.I.T.) via a Kansas Water Office grant was submitted to the Kansas Department of Health and Environment ("KDHE"). On February 3, 2025, KDHE awarded a Small Town Water and Sewer Infrastructure Assistance Grant ("STWSIAG") of \$6,133,000 to the County for the sewer treatment

improvements, which will be administered by the KDHE Bureau of Water. The STWSIAG proceeds were available to pay off Temporary Notes Series 2023 and Series 2024 in 2025.

During 2025, work began on the Yoder Water District 101 project, which involved constructing an interconnection between Reno County Water District No. 101 (Yoder) and the City of Hutchinson's public water supply system and also constructing a blending facility where source water from both systems can be combined to comply with maximum contaminant levels for nitrates before it is delivered to users. The estimated cost of this project was \$1,399,560 for engineering, construction, administrative, land acquisition and other costs. Three separate grant funding sources were secured to cover the total project cost. On December 18, 2023, the County signed an agreement with KDHE for the STWSIA Grant (STGDW01) in the amount of \$600,000 for construction costs. On March 25, 2025, the County signed an agreement with KDHE for the STWSIA Grant (STGDW13) in the amount of \$704,660 for additional construction costs. Also in March 2025, the County signed an agreement with the Kansas Water Office in the amount of \$94,900 for project engineering administration. Expenditures from the improvement fund through December 31, 2025, were \$1,046,291 from cash and accounts payable.

NOTE 6 – LITIGATION

Reno County, Kansas is a party to various legal proceedings which normally occur in governmental operations. These legal proceedings are not likely to have a material financial impact on the affected funds of the County.

NOTE 7 – RISK MANAGEMENT

Reno County, Kansas is exposed to various risks of loss related to torts; damage to and destruction of assets; business interruptions; errors and omissions; employee injuries and illnesses; natural disasters; and employee health, dental and accident benefits. Commercial insurance coverage is purchased for claims arising from such matters other than related to employee health benefits. Settled claims have not exceeded this commercial coverage in any of the three preceding years.

Workers compensation coverage written by private carriers was found by the County to be priced unjustifiably high. Accordingly, the County joined Kansas Workers Risk Cooperation for Counties (KWORCC), a group-funded government risk workers compensation insurance program with 97 government members.

The County pays an annual premium to KWORCC for its workers compensation insurance coverage. The agreement to participate provides that the KWORCC will be self-sustaining through member premiums and will reinsure through commercial companies for claims in excess of \$850,000 to \$1,000,000 for each insured incident. Additional premiums may be due if total claims for the pool are different than what has been anticipated by KWORCC management.

NOTE 8 – GRANTS AND SHARED REVENUES

Reno County, Kansas participates in numerous state and federal grant programs, which are governed by various rules and regulations for the grantor agencies. Costs charged to the respective grant programs are subject to audit and adjustment by the grantor agencies; therefore, to the extent that the County has not complied with the rules and regulations governing the grants, refunds of any money received may be required. In the opinion of the County, any liability for reimbursement, which may arise as the result of the audit, is not believed to be material.

RENO COUNTY, KANSAS

NOTE 9 – ECONOMIC INCENTIVES

Reno County, Kansas provides economic incentives to encourage business growth. The County's Economic Development Job Incentive Policy was amended and restated September 13, 2016, and further amended and restated on March 5, 2019, for Applicants (employers) who create new employment within **Reno County, Kansas**. The policy establishes criteria under which the County may agree to offer and pay cash incentives to approved Applicants. Among other provisions, the Applicant is required to satisfy to the County that the proposed job creation would not take place but for the payment of cash incentives. The policy requires Development Agreements to be negotiated and executed between Reno County and the Applicant. These agreements require at least four consecutive quarters of verified qualifying employment prior to the County making any payment, any future payments are dependent on job creation levels achieved and subject to funds being budgeted annually by the County and being available for said purpose under Kansas Cash Basis Law. During the year ended December 31, 2025, the County paid \$9,000 to Superior Holdings, Inc. for 6 new jobs created (in addition to 46 created in the three prior years) under a 2023 amendment to a 2020 agreement for incentives on a maximum 52 new jobs. Also, per the agreement, a bonus equal to 20% of all four years of incentives paid out was also paid in 2025 for \$14,900, along with a Year 2 underpaid amount of \$8,000. This agreement expired in 2025.

On May 1, 2024, the County signed an agreement with Superior Holding, Inc. ("Superior") and Greater Hutch, the economic development division of Hutchinson/Reno County Chamber of Commerce ("the Chamber"), for a pilot program from May 1, 2024 through December 31, 2026, under which relocation incentives of \$2,500 may be paid by the County to Superior per employee, related to employees who relocate to Reno County for a new job with Superior, provided certain criteria are met and Superior pays a matching relocation stipend to those employees of \$2,500. The Chamber will perform the verifications provided by the Agreement. The maximum amount the County will pay under this agreement is \$125,000, computed as \$2,500 per relocated employee for 50 employees. In 2025, the County paid \$10,000 to Superior for stipends for 4 relocated employees (in addition to 2 relocated employees in the prior year). Any future payments of the remaining \$110,000 are dependent on job relocation and creation levels achieved and subject to funds being budgeted annually by the County and being available for said purpose under Kansas Cash Basis Law.

On July 24, 2024, the County, recognizing the importance of reducing the digital divide for rural premises' broad band connections, approved \$50,000 of support for IdeaTek's application to the Kansas Broadband Equity Access and Deployment ("BEAD") grant program for their project in Reno County, and signed a Letter of Support October 23, 2024 to that effect. Although the County would not disburse any funds under this program unless the BEAD grant is awarded to IdeaTek, the County has encumbered \$50,000 for this program as a 2024 expense of the County Economic Development Reserve Fund. Payment by the County of the support for the BEAD grant would be charged against the encumbrance. Should IdeaTek not be awarded the grant, the County would cancel its encumbrance.

On August 14, 2024, the County adopted Resolution 2024-21, "Residential Housing Growth in Reno County, Kansas Policy" stating that municipalities and developers should be the primary source of housing development, but the County may provide financial assistance for housing development as it is a crucial component of economic development. To be considered for such financial assistance from the County, municipalities and developers would make proposals to the County, and an agreement would be necessary between the parties. On August 14, 2024, the County and the City of Hutchinson ("Hutchinson") entered into a development agreement for residential housing growth, whereby the County granted up to \$285,000 to Hutchinson for specified purposes for residential development, with an expiration date of December 31, 2026 unless terminated sooner. Hutchinson made no draw requests to the County as of December 31, 2025; however, in the judgment of the County, the expenditure of the full amount seems likely, so the County encumbered \$285,000 as a 2024 expense of the County General department of the General Fund. Thus, future payments will be charged against that encumbrance and will not be expenses of the year paid.

December 31, 2025

Should any of the \$285,000 not be used, there will be a cancellation of encumbrance at the expiration of the agreement.

On November 27, 2024, the County signed an agreement with Growth, Inc. (“Growth”), a division of the Hutchinson/Reno County Chamber of Commerce, for a “Make My Move” program, for attracting new residents to Reno County by providing incentives, with a total commitment by the County of up to \$90,000 for the duration of the program, expiring December 31, 2026, unless terminated sooner. Growth will perform the verifications provided by the agreement. Growth received one payment of \$45,000 from the County for 2024 under this program; however, in the judgment of the County, the expenditure of the full amount seems likely, so the County encumbered the remaining \$45,000 as a 2024 expense of the County General department of the General Fund. Thus, future payments will be charged against that encumbrance and will not be expenses of the year paid. The County received no draw requests from Growth in 2025. Should any of the remaining \$45,000 not be used, there will be a cancellation of encumbrance at the expiration of the agreement.

On June 25, 2025, the County signed an agreement with Strawn Development, Inc. (“Strawn”), for increasing residential housing development, whereby granting up to \$270,000 to Strawn, with an expiration date of December 31, 2027, unless terminated sooner. The incentive payment of \$9,000 is contingent on completion and sale of each residential unit constructed within Phase 1 of the Plum Creek subdivision of the City of Hutchinson, Kansas, and is to be applied directly by Strawn to reduce the purchase price of the residential unit. Strawn made no draw requests to the County as of December 31, 2025; however, in the judgment of the County, the expenditure of the full amount seems likely, so the County encumbered \$270,000 as a 2025 expense of the County Economic Development Reserve Fund. Thus, future payments will be charged against that encumbrance and will not be expenses of the year paid. Should any of the \$270,000 not be used, there will be a cancellation of encumbrance at the expiration of the agreement.

NOTE 10 – STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

Expenditures exceeded available monies in the Public Health Federal Grant Fund by \$15,511 and the BASE – ARPA Federal Grant Fund by \$718,880; however, due to the nature of the funds, the negative balance is not a violation of K.S.A. 10-1113. The funds are negative due to grant expenditures made in advance of reimbursement by the granting agency.

NOTE 11 – HEALTH CARE SELF-INSURANCE CLAIMS

Reno County, Kansas established a limited risk management program for employees’ health care coverage effective October 1, 2015.

Acting on behalf of the County, most medical and prescription drug claims are paid by a Third-Party Administrator (“TPA”), which has been Allied Benefit LLC, or “Allied” since October 1, 2022. The contract between the County and its TPA is renewable annually and includes monthly administrative fees. The TPA pays claims from the County’s local PPO network and national wrap-around PPO network and Pharmacy Benefit Manager (“PBM”), as well as a Patient Assistance Program vendor. The County reimburses the TPA weekly for claims paid.

The County also offers a Fair Market Health incentive for members covered under the County’s group health plan to utilize high quality, low-cost providers that participate with the Fair Market Health (“FMH”) Program. The County generally reimburses the FMH claims daily.

Protecting the County against unanticipated catastrophic loss, the County purchased specific stop loss coverage and aggregate stop loss coverage through Granular Insurance Company (“Granular”) for the plan year ending September 30, 2026. The stop-loss premiums are billed monthly by the TPA. The specific stop-

loss coverage provides protection to Reno County for annual medical/prescription drug claims over \$125,000 per individual and aggregate annual medical/prescription drug claims over \$4,382,516, up to a maximum benefit of \$1,000,000 to the County. The aggregate stop-loss attachment point was calculated at 125% of annualized expected medical/prescription drug claims factors.

Effective October 1, 2021, dental insurance has been provided through Delta Dental, or “Delta”, with administration fees paid monthly, and dental claims reimbursed to Delta weekly. The dental claims paid by the County are capped at \$1,500 annually per individual.

As of December 31, 2025, the County has recorded in the Self-Insurance Fund \$984,074 of encumbrance payable for incurred but unpaid health care claims, based on claims paid through May 14, 2026, for 2025 health care services.

NOTE 12 – DEFERRED COMPENSATION PLAN

Reno County, Kansas sponsors a deferred compensation plan under Internal Revenue Code Section 457(b). Permanent and part-time employees are eligible to participate under the plan. The employee is responsible for the amount of deferred compensation to be contributed. The County is not required to make any contributions.

NOTE 13 – DEFINED BENEFIT PENSION

General Information about the Pension Plan

Plan Description

Reno County, Kansas participates in the Kansas Public Employees Retirement System (KPERs) and the Kansas Police and Firemen’s Retirement System (KP&F). Both are part of a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. KPERs and KP&F provide retirement benefits, life insurance, disability income benefits, and death benefits. Kansas law establishes and amends benefit provisions. KPERs and KP&F issue a publicly available financial report that includes financial statements and required supplementary information. KPERs’ financial statements are included in its Annual Comprehensive Financial Report which can be found on the KPERs website at www.kspers.gov or by writing to KPERs (611 S Kansas, Suite 100; Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions

K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERs member-employee contribution rates. KPERs has multiple benefit structures and contribution rates depending on whether the employee is a KPERs 1, KPERs 2 or KPERs 3 member. KPERs 1 members are active and contributing members hired before July 1, 2009. KPERs 2 members were first employed in a covered position on or after July 1, 2009, and KPERs 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERs member-employee contribution rate at 6% of covered salary for KPERs 1, KPERs 2 and KPERs 3 members. K.S.A. 74-4975 establishes the KP&F member-employee

contribution rate at 7.15% of covered salary. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2, KPERS 3 and KP&F be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 9.71% for KPERS and 24.67% for KP&F for the fiscal year ended December 31, 2025. Contributions to the pension plan from the County were \$1,974,040 for KPERS and \$1,046,075 for KP&F for the year ended December 31, 2025.

Net Pension Liability

At December 31, 2025, the County's proportionate share of the collective net pension liability reported by KPERS was \$14,857,019 and \$8,776,797 for KP&F. The net pension liability was measured as of June 30, 2025, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2024, which was rolled forward to June 30, 2025. The County's proportion of the net pension liability was based on the ratio of the County's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kspers.gov or can be obtained as described above.

NOTE 14 – OTHER POST EMPLOYMENT BENEFITS

As provided by K.S.A. 12-5040, **Reno County, Kansas** allows retirees to participate in the group health insurance program. While each retiree pays the full amount of the applicable premium, conceptually, the County is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the County makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Retirement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended December 31, 2025.

NOTE 15 – COMPENSATED ABSENCES

Sick Leave

Sick leave is granted for full-time, 40 hours per week employment (regular part-time employees earn it on a pro-rated basis) at the rate of 3.7 hours each pay period. Sick leave begins for eligible employees following the initial six months of employment. An employee may accumulate no more than 1,120 hours of sick leave. Any employee retiring from the County shall be reimbursed for 25% of any unused sick leave. An employee who voluntarily resigns or is laid off and is not eligible for KPERS or KP&F retirement, may also receive a payout based on longevity after 10 years of continuous service.

RENO COUNTY, KANSAS
Notes to Financial Statement
December 31, 2025

Personal Leave

Personal Leave Time (“PLT”) accrues from the first pay period of employment and may be used upon approval of the supervisor. PLT may be accumulated for a maximum carryover of 250 hours for employees with 9 or fewer years of service and 275 hours for employees with 10 or more years of service at the end of any year. Unused PLT will be due to an employee who terminates employment with the County and is to be paid on the payroll following the final date of employment, for individuals employed six months or more who give required notice. PLT with pay is granted for full-time, 40 hours per week employment in the following schedule (regular part-time employees earn PLT on a pro-rated basis):

<u>Years of Service</u>	<u>Amount Earned</u>
5 years or less	112 hours
6 years	120 hours
7 years	128 hours
8 years	136 hours
9 years	144 hours
10 years	152 hours
11 - 14 years	160 hours
15+ years	176 hours

Compensatory Time

Some departments grant compensatory time to hourly employees in lieu of overtime for hours worked in excess of 40 hours per week. A Compensatory Time Off Agreement form must be signed prior to the accumulation of any comp time hours. Compensatory time may be limited, preserved, used or cashed out consistent with provisions of applicable laws and regulations of the U.S. Department of Labor.

NOTE 16 – LANDFILL CLOSURE AND POST-CLOSURE COSTS

State and federal laws and regulations require **Reno County, Kansas** to place a final cover on its landfill site when it stops accepting waste and also to perform certain maintenance and monitoring functions at the site for 30 years after closure. Although closure and post-closure care costs will be paid only near or after the date that the landfill stops accepting waste, the County has a potential liability for a portion of this closure and post-closure care costs in each period based on the landfill capacities used as of each year end.

<u>Disposal Unit</u>	<u>Permit</u>	<u>Total Estimated Cost</u>	<u>Estimated Closure cost</u>	<u>Estimated Post-Closure Cost</u>
Municipal Solid Waste (MSW) Landfill (Site D)	723	\$ 16,634,613	5,656,020	10,978,593

Totals		\$ <u>19,041,803</u>	<u>6,639,986</u>	<u>12,401,817</u>

The above figures have been estimated and the potential for change due to inflation or deflation, technology, or applicable laws or regulations, exists to affect the above calculations.

At December 31, 2025, the permit for 2026 identifies that the remaining volume capacity of the site is 54% of the original capacity and that the remaining life of the landfill is 56.1 years.

RENO COUNTY, KANSAS
Notes to Financial Statement
December 31, 2025

The County is also required by regulations to provide financial assurance for the closure and post-closure costs. The allowable mechanisms for this financial assurance are as follows: 1) trust fund, 2) surety bond guaranteeing payment or performance, 3) letter of credit, 4) insurance certificate, and 5) a financial test for local governments. The County has elected to use the financial test to provide financial assurance. The County is in compliance with the financial test as of December 31, 2025.

NOTE 17 – RELATED MUNICIPAL ENTITY: RENO COUNTY, KANSAS PUBLIC BUILDING COMMISSION

As discussed in Note 1, the financial information of Reno County, Kansas Public Building Commission (“Commission”) is included in these financial statements as a related municipal entity (“RME”) of the County. On December 3, 2024, the Commission issued Revenue Bonds for the purpose of constructing a law enforcement training center and two separate fire stations (the “Project”), to serve the County of Reno. Also on December 3, 2024, the Commission and the County entered into a lease agreement for the Project.

Public Building Commission (RME) Lease Receivable

On December 3, 2024, the Reno County, Kansas Public Building Commission entered into a lease agreement with **Reno County, Kansas**. The County is obligated to make Basic Rent Payments under the Lease that are sufficient to pay principal and interest on the outstanding Series 2024 Revenue Bonds. The Commission covenants that unless the County is in default under the lease obligation, it will not, without the County’s written consent unless required by law, sell or otherwise part with or encumber its fee or other ownership interest in the Project at any time during the life of the lease. The County covenants and agrees that it will, during the term of the lease obligation, keep and maintain the Project and all parts thereof in good condition and repair, including but not limited to, the furnishing of all parts, mechanisms and devices required to keep the machinery, equipment and personal property constituting a part of the Project in good mechanical and working order, and that during said period of time it will keep the Project and all parts thereof free from filth, nuisance or conditions unreasonably increasing the danger of fire. Total payments receivable are scheduled below, with a comparison to the Revenue Bond payments.

Public Building Commission (RME) Long-Term Debt

Reno County, Kansas Public Building Commission issued \$1,930,000 in Revenue Bonds – Series 2024 dated December 3, 2024, for the purpose of constructing a law enforcement training center and two separate fire stations (the “Project”), to serve the County of Reno. The bonds have varying maturities with semiannual payments. Interest rates range from 4.00% to 5.00% depending on the maturity date. The payments due in future years on these bonds are reflected in the debt activity disclosures shown in Note 19 for the RME. The lease payments due from the County are compared to the payments due on the bonds under Public Building Commission (RME) Lease Receivable above.

NOTE 18 – FIRE DISTRICT CONSOLIDATION

The County adopted Resolution 2024-50 on November 27, 2024, consolidating Reno County Fire Districts 3, 4, 6, 7, 8, 9, Reno/Kingman Joint Fire District 1, and Reno/Harvey Joint Fire District 2 into a consolidated County Fire District which shall be named and designated as “Reno County Fire District 1”, to take effect January 1, 2026. The County adopted Resolution 2025-18 on June 25, 2025, which amended Resolution 2024-50 to correct errors and allow for publication.

NOTE 19 – LONG-TERM DEBT

Reno County, Kansas has the following types of long-term debt.

Single Audit Information

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the County Commission
Reno County, Kansas
Hutchinson, Kansas

We have audited, in accordance with the auditing standards generally accepted in the United States of America, the *Kansas Municipal Audit and Accounting Guide* and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statement of **Reno County, Kansas**, as of and for the year ended December 31, 2025, and the related notes to the financial statement, and have issued our report thereon dated June 9, 2026. The report on the audited financial statement was adverse because it was not presented in conformity with accounting principles generally accepted in the United States of America; however, it was unqualified as presented on a prescribed basis of accounting that demonstrates compliance with the cash basis and budget laws of the State of Kansas, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statement, we considered **Reno County, Kansas'** internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of **Reno County, Kansas'** internal control. Accordingly, we do not express an opinion on the effectiveness of **Reno County, Kansas'** internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the County's financial statement will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether **Reno County, Kansas'** financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material

Reno County, Kansas

Page 2

effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the County Commission
Reno County, Kansas
Hutchinson, Kansas

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited **Reno County, Kansas'** compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of **Reno County, Kansas'** major federal programs for the year ended December 31, 2025. **Reno County, Kansas'** major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, **Reno County, Kansas** complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of **Reno County, Kansas** and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of **Reno County, Kansas'** compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to **Reno County, Kansas'** federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on **Reno County, Kansas'** compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance and will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about **Reno County, Kansas'** compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding **Reno County, Kansas'** compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of **Reno County, Kansas'** internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of **Reno County, Kansas'** internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies

Reno County, Kansas

Page 3

in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

RENO COUNTY, KANSAS
Notes to Schedule of Expenditures of Federal Awards
For the Year Ended December 31, 2025

NOTE 1 – BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards includes the federal grant activity of **Reno County, Kansas** under programs of the federal government for the year ended December 31, 2025. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), *Audits of States, Local Governments, and Non-Profit Organizations*. Because the schedule presents only a selected portion of the operations of the County, it is not intended to and does not present the financial position or cash flows of the County.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the schedule are presented in accordance with the regulatory basis of accounting. This is the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Such expenditures are recognized following the cost principles contained in the Uniform Guidance cost principles, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

NOTE 3 – INDIRECT COST RATE

The County has elected to use the de minimis cost rate allowed under Section 200.414(f) of the Uniform Guidance.

NOTE 4 – OTHER EXPENDITURES

The County did not receive any federal awards in the form of noncash assistance, insurance, loans, or loan guarantees, and incurred no expenditures in relation thereof for the year ended December 31, 2025.
